This diagram shows an exploded view of a rearview mirror assembly. The main components are labeled with circled numbers 1 through 4:

- 1**: Points to the mirror housing, which includes the mirror glass and the main body.
- 2**: Points to a small rectangular component, likely a turn signal indicator or a sensor.
- 3**: Points to a larger rectangular component, possibly a control unit or a mounting bracket.
- 4**: Points to a long, thin component, likely a cable or a hose.

Arrows indicate the assembly sequence and the relative positions of the parts.
